Richard Heckford, Chairman of Rugby Farmers Mart Ltd receives MBE

In this year's Birthday Honours List, Her Majesty the Queen has recognised the work done by Richard Heckford of Willoughby, Rugby. Richard along with his fellow Board Members set up the new business, RFM Ltd almost exactly 10 years to the day of the Queens birthday. RFM was set up as a joint Venture of 250 local farmers to find a new Market Site, and also funding, building and running a Livestock Market to replace the original independently operated Livestock Market in the Centre of Rugby Town. Richard Heckford, Chairman from the start, along with the Board of Directors have since run the Business at the new site at Stoneleigh Park building it into one of the biggest Livestock Markets in the Midlands.

Richard Heckford a lifelong resident of Willoughby, received the Official Notification that he would be awarded an MBE, for work in promoting Agriculture in the Midlands, in April. Richard was completely shocked and overwhelmed to have received such an honour.

The Market continues to build with Richard at the helm, and looks towards a proposed relocation in summer next year to a brand new facility. The proposed move comes as a joint Venture between Stoneleigh Park and RFM Ltd with Richard in the centre of negotiations to seal a Lease of over 150 years on the new site that he hopes will ensure the continued growth of the Business in some of the best Market facilities in the country whilst safeguarding the Long Term future for the Business. RFM only this week on a normal Monday sale, sold stock for 157 Farming Businesses travelling from as far away as Llanybydder in Wales and Windsor Castle itself. Stock was sold to processors from Kent, Essex, London to Lancashire, Yorkshire and Scotland whilst of course serving local Farmers and Wholesalers to the Midlands.
