CATTLE: 85

Prime Cattle: 11 Forward

Plenty of trade but no cattle. We see weekly kill sheets and the Cattle here consistently well past deadweight comparison. Why we get no cattle we do not know. Perhaps customers would let us know or perhaps it is a service customers would rather we no longer offered?

Steers to 210p/kg and £1342 from R Heckford whilst Heifers to 225 and 226p/kg from House of Goodness top gross though £1271 to Caribbean Pete.
