THURSDAY 11TH NOVEMBER STORE LAMBS

A good show of 1000 lambs met the trade of the year with many lambs unlikely to make May before being fit but still an avg of £91. Short Keeps regularly over £100 and Medium term frame lambs the order of the sat all over £90. As buyers look for value though the bottom end lifted and those long term lambs perhaps £15 dearer than we have seen trading in the high £80's almost exclusively. Optimism all around and we hope all is rewarded.
