## **Rugby Primestock Society Market Report 2016**

The 43rd Rugby Primestock Society Show & Sale was held on Monday 5<sup>th</sup> December 2016 with an impressive number of entries totalling 306 show sheep and 39 show cattle.

Mr Richard Taylor, Owen Taylor and Son, Alfreton, Derbys, took charge of the cattle judging, with some excellent quality cattle forward. Judging began in the penned cattle classes, with Mrs A Tarry-Smith and her nephew T Turnham's Blue steer win the Halter tied steer or heifer (class 7) whilst WN & RR Shirley claimed the pairs with 2 Hereford steers (class 8). Mr Fountaine repeated his success from 2015 in the Regular Vendor (class 9) with a Limousin cross steer, whilst J & D Davies won their first 1<sup>st</sup> prize of the day in the barren cows (class 11).

In the halter led classes, A Fyfe achieved first in both the light weight steer (class 1a) and the lightweight heifer (class 3) with his Limousin cross entries. The high entry numbers in the steers meant they were 3 classes, and the mid weight steer class (class 1) J & D Davies triumphed for the second time on the day, whilst Frank Page's 720kg Blue steer took first in the heavy weight class (class 2). Mr Page also went on to take first in the heavy weight Heifer class (class 4). SJ Timms' Angus heifer took first in the Natives (class 5), whilst Matt Morris succeeded in the Young farmers with his Limousin heifer (class 6).

When it came to choosing the Supreme Champion, 7 fantastic quality beasts were put forward, making decision making tough. In the end after careful consideration, Frank Page with his Heavy weight British Blue Heifer weighing in at 685kg came out on top. The Supreme Champion later sold, first in the ring for £4.20pkg bought by the Judge Richard Taylor. Reserve champion went to GR Fountaines' 673kg Limousin cross heifer that had stood second to the Supreme champion in their class earlier on. The reserve supreme champion sold for £3.59pkg, weighing in at 650kg, and was also purchased by Owen Taylor and Sons, Derbys. A fantastic display of cattle all round.

Meanwhile in the Sheep classes, judged by Steven Elliot, RB Elliott & Son, Chesterfield, there were 102 pens entered. In the Continental Sire classes, F J Clarke achieved first in the lightweight section, with Pete Batchelor, scoring his first prize of the day in the heavyweights. RAE Wilson achieved first place in the Native sire lightweight, whilst TC Williams & son took first in the heavyweight class and followed it up with overall Native Sire champion.

Miss Maisie Robinson with Miss Evie Clarke took the YFC class, whilst P Batchelor triumphed in the regular vendor class for the second year running. AEJ & FJ Claridge were extremely pleased to score first in the Novice class and, last but not least, W & J McCurdie winning the Native ewe class & R Long ewes won 1<sup>st</sup> in the cull ewe class also taking the overall cull ewe champion. At the end of the judging a delighted Pete Batchelor was crowned Supreme Champion with his Continental Heavyweight lambs weighing 45kg each and were bought for 611 per kilo (£275) by Owen Taylor & Sons. It marked an extremely successful for Pete and I think it is a testament to him that all 5 pens of sheep he put forward into the show achieved at least a 2<sup>nd</sup> placed rosette – Well done Pete! Reserve champions from F & J Clarke sold to 400p/kg or £160, bought by Carpenters Farm Butchery.

Notable mention also goes to George Page, who, from an excellent number of entries forward in the produce classes, achieved the overall Points trophy for Produce for the second year running. George is quickly establishing himself as the next Page on the show scene to keep an eye on – well done George! The Society would also like to thank Mr Reay, Reay and Son, for judging the produce section.

On behalf of our chairman, Steve Eales, and the whole society we need to say a big Thank you! Thank you to all those who attended our show and sale and we hope you very much enjoyed the day. The number of entries to the show was brilliant and the exhibitors' hard work in producing and entering quality stock is truly appreciated. Special thanks to all 3 judges, as well as the buyers, sponsors, and all those who worked hard to make the day a success. Thank you to all the members of the Primestock society who helped prepare, run and pack away the day. Finally a huge thank you goes to Tom Wrench and all the staff at RFM for welcoming the society and keeping things running smoothly on what was an extremely busy market day. It's not an easy task to fit a show and sale in addition to the normal busy Monday market. Finally, many thanks to all those who contributed towards our charity fundraising by buying goods, donating for food or purchasing raffle tickets, we will update you with a total for our charity Help for Heroes later on. Tickets are still available for our Presentation Dinner on Saturday, featuring guest speaker Julian White and after that enjoyable evening we draw a close to 2016 and have a short break before planning for 2017 starts at the January AGM! See you next year!

A day where every man and his dog found lambs, another large yarding with over 2200 penned in the aisles. Judging today ably carried out by Mr S Elliot who awarded the Supreme Championship to Mr Pete Batchelor, with the Reserve Champions being awarded to F & J Clarke. Pete went on to sell his champion pen of 45kg Beltex lambs to a staggering 611ppk, or £275 per head sold to the cattle Judge Mr Richard Taylor, with the 40kg Beltex x Reserve champions reaching 400ppk and £160 per head to Mr Robert Leach. ## SALE REPORT

### 60<sup>th</sup> Midshires Produce Auction - Tuesday 29<sup>th</sup> November 2016

#### THE EXCELLENT ATMOSPHERE OF THE NEW SALES VENUE HAD A SPARKLING EFFECT ON THE DEMAND FOR FODDER, ESPECIALLY STRAW

An entry of approximately 4,000 tonnes was offered for sale at Lutterworth Rugby Football Club, Bitteswell for the first Midshires Produce Auction of the winter. With samples presented from the vast majority of vendors, prospective purchasers were able to bid with confidence as to the quality of the fodder on offer.

The sale commenced as usual with produce for delivery from Messrs J Corney & Sons, who sold Massey Ferguson 2170 bales of meadow hay for £72.50 per tonne.

The sale then moved to produce on farms, where demand for straw was outstanding and everything sold. RAB Agri-Contracting sold some Massey Ferguson 2170 Bales of wheat straw obtaining £22.50 per bale and barley straw realising £25.50 per bale, followed by Claas quadrant bales of wheat straw from Messrs J A & S M Evans realising £17.20 per bale. Mr E Hewes also sold some conventional bales of wheat straw for £1.45 per bale.

The demand for the hay was less consistent but, like a bolt from the blue in the middle of the sale Messrs L J Arnold sold Massey Ferguson 2270 bales of timothy hay realising £46 per bale. Messrs A & R Fyfe sold some Claas quadrant bales of meadow hay realising between £21 and £22.80 per bale. Only one lot of conventional bales of hay were on offer from Messrs J L Frost & Son and they achieved £2.95 per bale for good quality hay.

Demand for round bale silage and haylage was good, with round bales of haylage achieving £17 per bale from Mr C Meddows-Smith and round bales of silage on offer from Mr R H Quinney achieving £12 per bale.

We now look forward to the January Fodder Sale and with Christmas rapidly approaching vendors are encouraged to enter lots for the next sale which is to be held on Tuesday 3<sup>rd</sup> January 2017. Entries close for cataloguing on Friday 11<sup>th</sup> December to allow time for the catalogue to be printed and circulated prior to Christmas. Please contact Stuart Long or Jenny Hannah on 01788 564749.
