The Conditions of Sale

- 1 The sale of shares is to be conducted as an open market arm's length transaction between a willing seller and a willing purchaser.
- 2 Vendors and Purchasers of shares do so in full knowledge of the restrictions of the Articles of Association of Rugby Farmers Market Ltd (RFM). If unsure as to the implications of such terms they should take independent financial advice.
- 3 RFM its Directors, Auctioneers and staff hold no responsibility for, or do intend to dictate, influence or set sale values of shares and instead these can be set by the open market only.
- 4 Vendors and Purchasers should be aware that a sale or purchase of shares will be subject to common law taxation, in particular stamp duty. Vendors and Purchasers should take independent advice
- 5 The fall of the hammer will form a legally binding contract between the Vendor and Purchaser. Both parties are to take all reasonable actions to conclude the sale of the number and description of the shares advertised. Notwithstanding the aforementioned, all sales are subject to the Board of Directors' subsequent approval and or those restrictions set out in the Articles of Association. A reason will be given for any subsequent refusal of transfer by the Board of Directors, but approval will not be unreasonably withheld.
- 6 Share sales will be advertised in the number and blocks as are offered by the Vendor and market value price to be ascertained per single share with the minimum being 4 shares.
- 7 Shares will be sold per share.
- 8 There will be an administration charge of £50 + VAT per 4 share block, to be split between Vendor and Purchaser as to £25 + VAT each.
- 9 Once the transfer has been approved by the Board of Directors, the share certificate and registration of the certificate shall be made in the name of and against the address of those detailed on the invoice immediately after the sale, unless RFM is notified in writing of an alternative.
- 10 Buyer is to pay on the day. There will be no exceptions or credit on shares.
- 11 The vendor retains the right to set a reserve price, such price to be no less than the original share price.
- 12 Monies will be held by RFM, acting as sales agent, in a client account until the sales procedure ratification and transfer is completed. RFM will then account to the vendor in the full amount less the administration fee.

Disclaimer

Potential purchasers of shares should be aware that investments in shares are for the long term.

If you are in any doubt about purchasing shares in the auction you should consult a bank manager, solicitor accountant or other financial advisor.

Rugby Farmers Market staff and directors will not advise on the purchase or sale of shares.

I would personally like to thank all customers who have traded and supported me over the last 9 years at Stoneleigh Market in the blue hut, and those that I have dealt with for longer. After a long association with Cox & Robinson, pastures new beckon. So thank you very much, I will not be a stranger, I will just be changing hats, then it's business as usual.
