CATTLE: 26 FORWARD

Cattle Report.

A small entry of cattle in all classes sold to a solid trade throughout. The top price per kilo was for a nice Butcher Type Heifer from M/s Jarrom who also sold a quality finished Bullock to top that section. The heavier wholesale type heifers produced top considerations per head for M/s Hodgkin and M/s Seymour and many more well fed Heifers and Steers of this type will be needed in the coming weeks to meet buyer demand. The majority of steers forward were further finishing types and these sold to particular advantage with the top price from M/s Arthur's, closely followed by M/s Cross. This trade in strong cattle needing time indicates confidence of purchasers going forward.

The Cow trade was better than anticipated and again topped by M/s Jarrom with a well fleshed pure Lim cow. at £1.40ppk £1117

We need to build numbers in all sections with enhanced buyer support pledged for all classes of cattle.

MONDAY 16TH NOVEMBER 11AM

The Rugby Primestock Show date has CHANGED!

Due to current lockdown restrictions the date for the Primestock show is **now Monday 7th December.**

The show will be run on very much a drop and go basis, under current Covid guidelines and advice from the LAA meaning cattle will be judged in pens rather than halter lead.

An important reminder that to allow us to run the show in these challenging times, we **MUST** receive entries by Monday 16th November.

Please forward these to Primestock Secretary Heather Mccurdie.

Craig Thompson Memorial Suckled calf Show & Sale

The Annual Sale today seeing a reduced entry as the dreaded TB tester held approximately 200 back that would have usually intended to show. Quality on the day a sale of two halves with the usual quality of Charolais and grown on Cattle in the aisles but an unusual number of poor done things also today, perhaps not suited to this years weather. Trade has to be reported as very fast indeed with an all in avg of £731 for a yard solely of Calves.

This year, following the sad loss of our friend and colleague Craig Thompson, we have commissioned the "Craig Thompson Memorial Trophy". This was awarded to the best single beast forward in the RFM Suckled Calf Sale. This year, the show was due to be judged by two of Craig's lifelong friends, however unfortunately due to Covid restrictions this could not be. Our thanks however do go to Nigel Johnson a long standing 'Southern friend', who answered the last minute call to ably place some superb cattle in some hotly contested classes. Show results below;

A Limousin x Heifer selling to **£1500** to R Ellis, Cubbington

2nd Place also from the Friswell Family, Lot 432, a Limousin Steer selling to **£1300** to the Judge, Nigel Johnson, Lutterworth.

Similar goods £1860 and £1840 for heifer calves. 2011 Cows with Bull calves to £1860. D Bull sold 2015 Cows with 5 month old Lim Calves to £1500 twice and in-calf cows 2014 to £1000 from WJP Atkins. 2017 Hereford with baby calves to £1200.

On into the Sucks and a trade that was selective with the lesser bred and small for size cattle with limited audience but genuine Suckled Calves a trade as fast as has been seen for some time with buyers from the Borders and West making an impact. Shapey Lims from P Warden set the trade of a £880 for Steers at 7 months with sisters to £625. Dave Bulls annual consignment saw £780 for 6 and 7 month Steers with others £745 whilst an 11 month Heifers from the same to £990 and 6 month heifers £670 for pens of 5. Messrs Semple weekly consignment as ever starting wars of buyers seeing £955 at 10 months for Steers with 8 month old shape to £900 and £860. Exceptional 7 and 9 month old Sisters taking £955. Strong Simmentals from Greyhound Estates Breeding herd a good example of what his genetics will do saw a 7 month old Steer to £800. Charolais as ever in vogue if bred from shape and F H Sherratt penning strong white money makers to £930 at 7 months with other pairs £920 and £905 with bigger pens full of the same at £805 and Sisters to £835, £800, £790, £780. One of the highlights of the day would be the breeding behind C & A Morleys Charolais consignment with a run bred for Carcass and growth rate not just pure scope. Champion Charolais Steers saw the pair hit £1100 at 8 months with the nest single quick doing beast £1000 at equal age. Trios to £965 at 7 month and £900 with the final Steers £875. Sisters to £895 and £855 with longer term prospect £785. Next into the ring saw team Friswell, taking the Championship 1st and 2nd as well as the Limousin Steer Class. Steve and Elaine started there run at £1300 for a yearling with the next trio in Limousin Steers 8-9 months at £1005. Single 11 month old Steers saw £1050 with 10 months at £960 £920 and £900. Blue Steers from the same saw 10 months to £970. Onto the Heifers and the days Champion beast a Lim Heifer January born showing width length and also a touch of show style. This set off at pace between feeding buyers before the breeding boys took over to see the show stopper come down to breed at £1500 (even Craig would have called it a 'fair sharp trade'). Limousin Heifers from the family saw £985 at 11 months, £915 and £900 at 8 months with plenty of others £870 at 10 months. The family then entered to sell the later born Calves seeing 6 month old Charolais Steers to £830 and Limousin to £855 with April born Heifers to £870 for Limousin the whole consignment from the family avg £841. Next in young Simmental Steers from Messrs Wright seeing 7 month Steers to £730 and £750. A show pony Limousin Heifer from the same small but perfectly formed saw 7 months of age take £970. Coaty well bred genuine sorts chased as hard today as those pushed goods and Messrs Stephens, Princethorpe saw £880 at 7 months for pairs of Steers with others £825 and 8 month olds £840 and £800. S F Summers sold only Heifers but saw 7 months to £690. Breeding not feeding the moto from MC & M Herbert, Brackley saw Simmentals that had never been fed top at £900 for a pen 4, others £800 all December born next a pen of 9 taking £770. Sisters just as well grown showing frame and hair saw £800. PJ Inckley, showed shape and scope to see £800 and £785 for Christmas born goods. Trade holding to the very end when RS & GDH Alderman & Son sold 11 month Blonde Steers to £900 for a pair with others £915. Strong upstanding 11 to 12 month Steers £1045. Trade very acceptable and quality rewarded by free bidding customers from across the Country. Thanks to all involved.
