HEALTH INFORMATION

Cattle forward for sale must either be accredited via a CHeCS recognised Health Scheme or individually tested for BVD and Johnes. All cattle, other than calves at foot, must be vaccinated for BVD. Testing for Leptospirosis, IBR and Neospora is highly recommended.

Information on test results are in the catalogue if the results are received prior to publication, or available from the vendor on the day of sale.

Interested buyers and sellers are encouraged to discuss the health status of the seller's herd. To that effect, sellers should have a copy of the blood test results and Health Scheme accreditation with them at the sale.

All cattle must be pre-movement tested for TB, irrespective of the vendor's TB test interval.

LONGHORN TYPE CLASSIFICATION

Type classification has been standard practice for many years and is seen as a clear, understandable method of grading cattle using independent assessors. By having their cattle graded, members gain a better understanding of the strengths and weaknesses of their cattle and can then select and breed accordingly to improve not only their own cattle, but in turn the national population of Longhorns. Cattle are assessed for conformation and they are awarded an overall grade (eg VG, X) and a numerical score. Once an animal has been graded he/she does not need to be re-presented but can be put forward for re-inspection if the owner wishes. No animal's score can go down on subsequent inspections, they can only either stay the same or go up. For this reason first calved heifers are scored more 'severely' to allow room for manoeuvre. Animals can make the following maximum scores

FEMALES

- Heifers - maximum 89 points
- 2nd calvers - maximum of 89 points
- 3rd calvers - maximum of 93 points
- 4th calvers - maximum of 95 points
- 5th calvers - maximum of 97 points

MALES

- 18-24 months - maximum of 89 points
- 24+ months - maximum of 97 points

Buyers can use the score, alongside their own visual assessment, to inform their buying decisions.

TRANSFER FEES

A transfer fee of £15 + VAT (£18.00) shall be paid by both the vendor and the purchaser. Pedigree certificates will only be transferred on payment of the transfer fee.

PRE-SALE SHOW

Rosettes will be awarded to animals standing 1st, 2nd, 3rd and to the Champion and Reserve Champion from classes 1-4.

- 1 Cow/Heifer, in milk or in calf
- 2 Heifer born in 2019
- 3 Heifer born in 2020
- 4 Junior Bull, born in 2020

Young handler classes, using cattle entered into the show and sale and having previously been judged in classes 1-5

- 5a Young handlers aged 8 to 13
- 5b Young handlers aged 14 to 18

CHAMPIONSHIPS

The Champion and Reserve will be awarded sashes in addition to the rosette

Trophies

The Ciba Geigy Shield for the Breed Champion
The Lloyds Bank Trophy for the Best Animal of Opposite Sex
The Rosemary Roberts Trophy for the Best Junior Bull
The Southfield Trophy for the Best Junior Heifer

Best turned out competition

£25 prize to the best turned out Longhorn in the market
