FOREWORD

RFM welcome you today for this Genuine Farm Dispersal Sale from Ron & Anne Fripp who have worked hard to build this farm up from nothing to 75 Acres at present.

They started farming Pigs in the 1960's and latterly for the past 25 years running a Simmental Suckler Herd.

Ron & Anne have 3 Sons who are not interested in Farming so thats why we are here today.

The Fripp Family have been here since the 1960's and during that time they have built up a range of Farm Implements & Machinery.

There is a fair range of Grassland Equipment, especially his Teagle Items, which have been extremely well looked after, washed off after use and stored undercover.

The Sale also includes good quality Cattle feeding equipment, workshop & general sundries, tools, spares and building materials, most of which will be sold undercover.

The sale is to finish with a collective sale made up of entered lots by kind permission of Ron Fripp.

Look Forward to seeing you

Tim Webster
