## CATTLE: 82 FORWARD

### Prime Cattle-53

A more plentiful show with every size, shape and quality present today and indeed catered for. Handy weighted, shapely sorts still commanding a premium but those meated native Heifers really seeing a trade today.

### Bulls-4

Only a handful forward today and many more could have been sold to advantage. Top PPK today to Alan Tacy, selling Angus x Bulls to 174PPK and topping the gross at £1216. More Bulls are required each week.

### Steers-19

The Steers today would include everything from the best end, to over age Welsh Blacks, to plain Friesians. Top PPK today from G Hutsby & Sons showing properly fed, home bred Limousin x Steers to 235PPK. Top gross today from Frank Hodgkin with Limousin x up to £1478. Better end U-/R grading Bullocks all well up over 210PPK.

### Heifers-30

### Cows-9

A show of almost all non-FABBL cows, which does impact on the trade in the cull section. Several major UK processors are round our ringside, and unable to bid at non-FABBL sorts. That said the remainder of our ringside buyers standing firm and giving a level and competitive trade. Top of 139PPK from Steve Ronch, with the same Charolais cow selling to £1206.
