CATTLE: 183 FORWARD

FAT CATTLE: 87

May Day Bank Holiday, the start of the 5th month already. How time does fly. Again no change in the beef trade. Trade remains very similar week in week out. Perhaps looking shaper today due to the lack of high end. The not so good being promoted up.

Robert Barker two weeks on the trot now topping the Steers and Heifers. Bullocks to 349 and Heifers to 342ppk.

Tom Reeve getting to take home two toppers today, one the Bullock at £2151 and we need not say. ... Miss Taylor.

Tillbrook Farms in the Heifers at £2064.

Andrew Coombes making his trip worth while with handy weight Bulls at £1856 or 292ppk, also tops the Cows at 254ppk or £1874.

See below for more top prices. More Cattle required on a weekly basis.
