CATTLE: 47 forward

Prime Cattle : 29 forward

A small yarding of cattle made up mainly of none spec sorts. This ring completely representative of the trade. Quality wanted both by Butcher and Consumer whilst 'cheap meats' frankly hard to shift in favour of cheap boxed imports.

In the Steers R grades sold to 180p/kg twice for Messrs Barnes and Cross, which with last weeks Steers kill average at only 53% looks a firm trade. Weight again paying to £1332 for R W Cross & Partners.

Heifers subject to plenty of competition and reaching 219p/kg and 214p/kg from Pete Jarrom, Lutterworth whilst R J Grindal took 208p/kg twice. Top gross though a marvellous return for Pete at £1457.

Broken Mouth Welsh Mule Ewes with strong single Suffolk lambs gathered a large following to make £70 per life or £140 per family.

Today saw a part flock dispersal of 172 Breeding sheep from TJ Atkins whom has relinquished part of his Tenancy. We started with a consignment of North Country Mule Ewe Lambs scanned to lamb in April at 130%. The top two pens went on to sell to £130 with others £128 and £125. Theaves met a similar trade at £135 despite the sheep being too close to lambing to scan for numbers. Buoyancy in the breeding section continued with Full Mouth Suffolk Ewes at £120.
