. Another smaller show of Cattle, numbers hard to find, is it due to harvest commitments or perhaps the Cattle just aren't there .

. Another good trade for the goods forward, variety is definitely the case on a Monday. Something for everyone.

The superstar of the day was a beautiful Blue Heifer from the Jarrom Family that sold to 340ppk. Robert Nichols sold Heifers to £2245.46.

Bullocks again a very mixed show, however sold to 316 ppk from Cecil and Malcolm Thomas from the same home also topping at £2179.16.

Young Bulls sold to 281ppk from Stuart Friswell. Or £2239.72 from FK Baxter.

Sale will still be going ahead as normal on the bank holiday .

SPRING LAMBS: FORWARD SQQ266P/KG AVG £116

Less numbers about as Vendors report a standstill in Lamb gains, a fact evident in the show today. A trade that was hard work throughout but an SQQ of 266p/kg in the top few for the day. More men around the ring with Butchers happy to take a few but Export Companies very quiet and able to buy plenty nationally 240 – 250p/kg for first cross, thankfully here we held this to the 260p/kg mark. Better End Lambs still pushing around 300p/kg. A poor quality yarding with an ever growing void between meat and lean under-finished sorts and in places the difference £10-£17 per head. Top today saw Derbyshire's finest with 313p/kg for Beltex whilst overnight meat from J Herod saw 45kg at 311p/kg and Poplar Farms 40kg to 308p/kg. J Herod, J Barnett, S Ellingworth and Poplars all 305p/kg. Heavies remain the commodity with the largest audience and selling well throughout for all but the lean. Topping at 280p/kg for 55kg from P M Wilks with 47kg 279p/kg for D Herrick and MFH Farming 50kg to 278p/kg. An all in Avg of £116 the best figure of the day. Export lambs to £140 for 45kg from J Herod with M Woodward 44kg to £132 and Poplar Farming 43kg to £130 and £127. Weight best sold and topping at £158 for 62kg from PC & RA Nichols with P M Wilks 55kg to £154 whilst Showell Farms down to take £150 for 58.5kg FJ Tombs also £150. Plenty of weight Lambs trading £127 to £140 throughout. Lean Lambs very hard fixed throughout and Trade for Store Lambs well ahead.

Farm Diversification

howkinsandharrison.co.uk

HOWKINS &
HARRISON

Generating sufficient financial income and return on investment from farming activities such as agricultural production is becoming increasingly challenging as we navigate the phasing out of BPS and the integration of major new legislation, with a focus on mitigating climate change & driving environmental benefit. Diversification is becoming a vital part of the plan.

Gaining the input of an independent specialist with their fresh perspective and new options that perhaps challenge the traditions of multiple generations is invaluable. Being asked the difficult questions that you are reluctant to face, vital.

We are here to support clients – existing and new to us, through the process of farm diversification and business change, steering you through funding options and beyond to provide a robust business for the future generations.

We are here to help. Contact our team today and start to consider how you will replace your BPS income:
