## SHEEP: 3402 FORWARD PRIME LAMBS:2095 FORWARD SQQ 250P/KG AVG £111

A morning where lethargy hung heavy in the air from buyers with Export sales slow as witnessed throughout last week with steadies in trade nationally. Just 2100 Lambs forward today and a very large number of lean lambs on display throughout. These would normally meet second quality export spec but currently finding a very small audience as are lambs under 42kg. Export simply oversupplied nationally with limited orders currently. Best end lambs in strong demand seeing Beltex shape at 333p/kg for M Hoyle with R Heckford 38kg to 313p/kg and DG Coombes 310p/kg at 40kg with K Buckby visiting RFM for the first time at 45kg to 300p/kg. Export lambs with quality generally 260p/kg plus and lean first cross hard percenting lambs 240p/kg plus. Heavies remain the vogue and a top of 301p/kg at 52.5kg from K Buckby with proper Blue Texel Hogs. First draw super quality from Parry Walters with 48.5kg to 276p/kg and 51kg to 275p/kg. Humphrey Livestock 49.5kg to 275p/kg and 53.5kg at 275p/kg. Weight really paying today. An all in avg of £111 very swift on the trade. Export gross to £135 for 45kg from K Buckby with E Glover down from Staffordshire at 45kg to £124. M Hoyle selling little shape at 36kg to £120 equalled by R Richins, M Harrison and D Coombes. Heavies though well chased seeing K Buckby 52.4kg to £158 and W & M Emery 57kg to £151 with BF Humphrey & Sons 57kg to £150. M M Hoyle £150 for 62kg. Meat the key. Masses of lightweight Export Lambs on show today lacking backs and sadly not the demand Nationally for this commodity.

# CULL EWES: 1171 FORWARD

A pen short of 1200 Ewes today met a trade that would be better than predicted for all classes other than the massive plethora of very lean Ewes which hold a limited audience as the Nation is well over supplied and today more than a fair share of the walking dead on show. Best end continues to buck the trend selling at extreme rates with a top of £205 for AJ Smith farming, Bedford with Texels and strength from Wally and Heather McCurdie at £202 with Beltex to £200 from RFS Ltd. Weighted Tex x from B C Burton to £194 and pure £190 from S Wise. Tups to £182 from M Hoyle with most weighted Ewes north of £160. Suffolks to £148 for F Sherratt and £143 for MFH Farming with most £120 - £130. Mules today to £130 from S Brodie and £122 from A Collett. Most trading £108 - £116. Ewes massively oversupplied with abattoir backlogs throughout the nation. Lean Ewes should be farmed to a time when demand returns.
