**SHEEP: 3179 FORWARD**

**PRIME HOGGS: 2290**

**FORWARD SQQ 278P/KG AVG £120.50**

2400 Hogs forward today to meet a most selective trade with a real fast trade for export weight Hogs 42kg and under and a much harder trade on mid-weights and heavies. Basically a massive oversupply nationally of heavy weights and fat Hogs. Export weights so dear today though that it makes the SQQ 278p/kg despite the slow in trade for 43 to 45.5kg. Plenty of Export 37kg to 41kg today past 300p/kg. Mid weights harder to sell and heavies out in massive supply. The real problem seems to be that unlike other years Exporters are yet unable to send heavier bodies abroad with Europeans only willing to take Export weight bodies. In other years this weight limit has raised in line with the growth of the average Hogg. This year seemingly not. Those with the goods to meet demand today receiving a very swift trade. Real shape at 34kg from M & C Morris saw 341 p/kg before D W Gurney started a good run with Beltex at 38.5kg to 340p/kg with M & C Morris to 39kg at 331p/kg and D W Gurney & Son 41kg to 326p/kg. NF & K Redfern good meat at 43kg to 321p/kg. N Wallington 38.5kg to 317p/kg and D Gurney 316p/kg at 42.5kg. In the heavies a stronger trade seen for best ends with real shape from Nigel and Kerry Redfern 48kg to 298p/kg and 46kg to 295p/kg from D W Gurney & Son who also sold 48.5kg to 285p/kg. In the lump Export weights totting up at rates that made a mockery of the weighted Hogs. Top saw 43kg from the Redfern family at £138 with 44.5kg from BJ & IS Wain to £138 at 44.5kg. Messrs Gurney sold 42.5kg to £134.50 and 45.5kg to £134.50. Heavies a hard sell all day but the best saw £150.50 from HL Goode & Sons at 79kg with PF Edwards 66kg to £145 and Redferns 48kg shape at £143. R H Maycock & Sons, Aylesbury saw 68kg to £141 and T A Wrench, and JT Jeyes & Son £140. Next week vendors are encouraged to think about what they are marketing. The current trade is for Export Hogs and so best to suit sales to the same. Perhaps the heavies may need to be chanced for another few weeks.

## CULL EWES: 751 FORWARD

A smashing trade today albeit fat are harder to sell and two customers leaving after the first 100 sold just unable to go with the trade. Mules a touch harder to sell but meat and weight just flying to give an all in avg of £130. We perhaps have seen the top of the trade with firms unable to see profit with the current Stock values and this should be monitored as we head into Ramadan and 40 days of fasting. Today top of the tree for Sam Collie with Texel X to £200 and Beltex from M Morris £192. Greenfields of Twycross sold pens of 7 to £191 and TI & GM Edmunds & Partners up from Caerphilly sold pens of 12 at £180. Texel x and ¾ bred all over £175 if meat. Charolais Rams topping at £171 from W & M Emery & Son. Suffolks to £165 for a pen of 5 from G fell others £161 from Jack Owen, Wolverhampton. Suffolks generally £150 plus if meat. Mules today to £157 for Harrison Bros with AC & RW Turney £152 Mules general £128 to £138 unless fat.
