CATTLE: 90 Forward

In Rugby Auction Mart on Monday 2nd March at 9.45am 90 Head of Prime Cattle and cast cows were sold!!!!

The sale commenced at 9.45am prompt and will do for the foreseeable, this has many advantages regarding the values, transportation, the welfare of the cattle, the logistics within the mart and the running of the sale not to mention the rest of the day is yours once the sale concluded at 10.31am!!!

Please do get in contact should you have any questions or require an on farm visit, I, Andy Armstrong have many abattoirs looking to Rugby Mart to purchase all prime clean cattle, prime bulls, cast cows and stock bulls. I am needing more numbers in order to attract the purchasers. If you have prime cattle and are sitting back watching waiting to see the rise in numbers, please press forward, call me and present cattle in Rugby, were there are over 30 active prime cattle and cast cattle accounts creating demand and a true and fair price, be part of the rise of the prime and cast sections. Liveweight cattle sales play a huge important part of the values within the industry, the independent abattoirs support the auction system and serve many highstreet butchers and caterers who can pay better price, greatly about average, without these independents there is no competition for the larger predominantly deadweight processors. !!!!sell live and thrive!!!!

Cast Cows

We require all types of cast cows. Week by week were are gaining entries. Numbers we are not in fear of should you be a dairyman or woman, we can cater for the cast dairy cows, no matter what the condition.

There was a show presented for sale of **90 Prime Cattle consisting of 4 Bulls, 40 Heifers, 28 Steers & 18 Cast Cows and Stock Bulls.**

The prime sale was buoyant with all purchasers keenly getting involved in purchasing their require elements of beef cattle. This week a new prime buyer was present keenly looking for handy weighted butcher shop heifers. All vendors once again were pleased at the values they received, week by week we are increasing the cattle numbers and vendors presenting cattle. Well fleshed cattle that are finished with fat levels of a good 3 and 4L with loins full of flesh do receive a premium paid. If you are unsure of the condition of your cattle and are looking for advice, please do get in contact with myself Andy Armstrong on 07902 316268

Rugby is fast becoming an established Prime cattle sales centre within the midlands, be part of the rise. Looking forward to seeing and hearing from you.

Bulls-4

Desperately short of Bulls with supply being outstripped by demand. Top PPK today to A Faulconbridge & Son to 217PPK for a Blonde, grossing £1113.21.

Steers-28

Plenty of weight forward in the steers today, with no end over 700KG, a result of recent deadweight grid changes. Weight however no problem in this ring, with customers for all. Top PPK from Frank Page with Limousins at 225PPK, and a pair at 221PPK, with no end £2 plus. Top gross from JV White & Sons with big Limousin Bullocks to £1350, with Frank Page striking at £1338 with the White stable again to £1337.

Heifers-40

No real superstars forward today, that said top PPK from A Faulconbridge & Son to 221PPK for Blondes. WA Yeomans, Kettering saw 217PPK for Limousins. Top gross from MW Emery with Limousins to £1274, and Padray Farms seeing Charolais to £1263.

Cows and OTM-18

A nice show of fed cows forward today seeing K Butcher travel from Essex to take 137PPK or £1155 for fit cows. No end of cows forward today selling 120PPK plus and looking a nice trade in comparison to deadweight quotations. OTM Steers to £1213 from K Butcher.

Prime Hogs: 1968 Forward SQQ 250p/kg

Just under the 2000 mark today meeting a phenomenal trade of 250p/kg SQQ and averaged £105 all in despite the fall in trade in the middle of last week and the poor quality of yarding with very little in terms of weighted quality on show and a yarding which many noted lacked enough finish. Likely a sign of the weather. Shape and meat rewarded with high end Export Markets firing today to see a top of 330p/kg for 40kg for Sam Collie, Norwich who also sold 37kg to 324p/kg and 29kg to 321p/kg. 40.5kg Beltex from D Gardiner took 316p/kg ahead of SLAM Farming at 42kg for 314p/kg for Blue Texels. Sussex based Mr Oneil-Smith saw 37.5kg to 304p/kg and 39kg to 301p/kg. 43kg from Slam Farming 302p/kg and 42kg from Andy Mitchell 302p/kg. Best end lambs in too short of supply today sadly. In the heavies a top p/kg of 293p/kg for 46kg from D Gardiner with 46kg from A V Boffey 274p/kg. Real meat saw Charollais to 269p/kg for 49kg from JK Smith & Sons. In the lump export lambs topping at £132 for 42kg from SLAM Farming ahead of Sam Collie with 40kg Beltex to £132. D W Guerne & Son, Milton Keynes saw £127 for 42kg. Not a lot of weight on show today but topping at £140 for 68kg with equal money paid for 69kg from H L Goode & Son. 65kg from T Wood saw £3139 and J B Elkington saw 64kg to £138. Today vendors from Sussex, Kent, Norfolk, Essex, Berkshire, Cheshire and Staffordshire plus the surrounding counties. Trade harder to maintain throughout with quality short and a noticeable steady for medium weight lambs.
