WELFARE STATEMENT

Following a meeting with Warwickshire Trading Standards & the FSA on Monday we have been asked to highlight the Welfare Issues being reported from the Abattoirs regarding Cull Ewes. These mainly relate to MASTITIS & LAMENESS. Condition Score i.e being very thin.

Please remember that an animal must be fit for the intended journey, it should not be ill, injured or severely lame i.e. must be full weight bearing.

These sheep are being rejected at abattoirs around the Country

SPRING LAMBS: 2018 FORWARD SQQ 323.71P/KG AVG £139.50

Simply put they started dear and went dearer throughout. Over 2000 lambs forwards today, which included some runs of good meat alongside some lean draws with a few rushing lambs away well before their potential. The current trade dictating Lambs to be so dear that the live and dead weight system are heavily discounting lean lambs. Simply put end users don't accept paying premium prices for below avg product. Meat though simply flying with more Accounts and faces at ringside to return a massive SQQ of 323p/kg!! Export Lambs with quality in big demand topping at 393p/kg at 40kg for Di Hopcraft with Taylor & Son and Rutter and Son 390p/kg and Allen & Partners down from Leicester to see 39kg at 385p/kg. General Export meat Lambs 320p/kg plus with leaner sorts 310p/kg mark and the very lean Store lambs 295 to 300p/kg. Weight the flavour of the Month and returning an avg even better than the SQQ. Topping at 355p/kg at 49kg for RJ Bevin with Nicky Boyles 46.5kg at 355p/kg and Poplar Farming, Derbyshire 51.5kg 350p/kg. E Brain & Son 48kg to 343p/kg. Weight trading 310p/kg plus throughout and plenty trading towards 330p/kg with an all in avg of 324p/kg and £140!!

In the lump Export Lambs to £162 at 44kg for Poplar Farming whom also sold 45kg at £159 with AA Fyfe & Sons 45kg to £158. Exports trading £140 plus. Top today just shy of £200 at £198 for Paul Edwards at 59kg whilst Ollie Johnson came down early from Normanton on Soar to take £190 at 61kg with Gordan Emery £186 at 59kg. Messrs Lowe, Poplar Farming and Brain & Son all breaking £180!!!!

Meat the key especially with the rate of discount for lean lambs. Feeding now makes perfect sense and Lambs should be fed for best Margin. Supply shortage the reason for Trade and farmers best served not rushing to Market lambs but sell meat as and when it is fully fit.

Hoggs;

Still a few about with Customers for Hoggs without Teeth very fit in light of the Lamb trade. Clean Hoggs up to £135 and huge Teeth up £130 also.

CULL EWES: 1138 FORWARD

A much bigger entry forwards with Ewes from all over the Country. Quite simply a flying trade seen only before at the beginning of the Pandemic. A Ewe avg over £140 with 240 rare breeds included. Not the heaviest yarding on show but anything with shape over £200 topping for a pen of 4 from AJ Smith Farming taking £248 with Texels from J & R Lowe £247 and £234 with JA Shaw & Partners £234 also with Charolais to £233 and £228. Poplar Farming down from Derbyshire to £220. Pens of white Faced over £200 and generally £180 plus. Suffolks £190 for J Baker & Son with others £181 from C & R Bagshaw and £180 from CD Harrison & Sons. Suffolks all generally around the £165 to £170 mark. Mules an absolute flyer to £187 for Welsh Mules from G Scrivens and £181 for R Bywater & Son. H Smith & Son, Stratford Upon Avon £173. Mules generally £150 mark.

Quite simply flying.. Fairly unsustainable if Supply increases but totally driven by a shortage of Ewe Meat across Europe.
