SQQ 356P/KG AVG £158 TOP £206 for J & H Tustian

The day after Ramadan and therefore most abattoirs closed after a weekend of extra business. For this a manufactured smaller yarding of Hoggs. Trade for Export Hoggs still fast albeit not at last weeks extreme rates but still an SQQ of 356p/kg albeit with very few handy weight Hoggs in the averages instead a wealth of 45 plus kg. Trade for heavies continuing to falter with 49 – 53kg Hoggs hard to shift on the day. Those overweight Hoggs easier placed. Despite restricted heavy Hogg returns an all in avg of £158 including a wealth of Welsh and Store Hoggs amongst the yarding.

Best end in great demand but short reply with no Beltex sorts in the Export weight classes today. Top 45kg from W Selmes at 407p/kg with 42.4kg from J & H Tustian 402p/kg and 38kg from W J Prime at 400p/kg. Messrs Selmes 45kg at 400p/kg also. Meat exports still 380p/kg plus regularly throughout with Exports very dear for short quality today. Export Hoggs generally all well past 360p/kg unless 44kg plus or short on meat trading 350p/kg and over only Store Hoggs less.

Weight remains hard sold with buyers all with tales of woe as to the hard sales Conditions for Heavy Hoggs throughout the land. Better meat easily sold an 48kg at 217p/kg for Henry Tustian with 47kg from W Selmes 403p/kg and Henry Tustian 47kg at 400p/kg. Weight generally at reduced rates throughout and in comparison with the national trade trading around 280p/kg the 310p/kg mark a real success.

Top gross in the Export Hoggs to £183 for 45kg from W Selmes whom also sold 45.5kg at £181 with J & H Tustian 42.5kg at £171. Plenty of Export Hoggs trading well inro £160 plus mark. Overall a top of £206 today for J & H Tustian at 57kg with G R Fountaine & Son £204 at 52kg, C Holtom & Son, Messrs Fountaine and G & E Livestock all breaking £200.

Trade as ever in the Sheep Market responding to Supply and Demand determinates. Exports very much wanted the heavies though hard to sell, long term prospects perhaps secured by the better fortunated of the Ewe trade.
