## **WELFARE STATEMENT**

Following a meeting with Warwickshire Trading Standards & the FSA on Monday we have been asked to highlight the Welfare Issues being reported from the Abattoirs regarding Cull Ewes. These mainly relate to MASTITIS & LAMENESS. Condition Score i.e being very thin.

Please remember that an animal must be fit for the intended journey, it should not be ill, injured or severely lame i.e. must be full weight bearing.

These sheep are being rejected at abattoirs around the Country
