LAMBS 2405 FORWARD

SQQ 344P/KG AVG £144

Lambs;

As regular as Tax and inevitable as death the Seasonal fall of the Spring Lamb trade. We dodged Three Counties week but Royal Show week saw the demand for Lambs drop below Supply with trade back significantly and deadweights stopping taking bookings. With delivered prices to central Europe now on £7.50/kg not much room for manoeuvre for processors even after the drop. Buyers short at ringside with orders short at the Sales counter with the Hot weather further slowing demand. Today a yarding of 2400 Lambs with a fair few rushing to get numbers off the land with the current drought. Trade though still favourable here with an SQQ of 344p/kg well ahead especially considering a fair wealth of lean grass lambs today many short of back. Best end lambs still breaking 400p/kg with 410p/kg for 40kg from W Bartlett and 402p/kg at 41kg for DJ & ST Webb. 42kg at 400p/kg for W Bartlett. Meat Export weight with shape regularly 380p/kg plus. Meat in general trading 350 - 360p/kg. With first cross fed Lambs 340-350p/kg and grass fed 320-330p/kg. Very Lean Lambs more akin to Stores trading 310 - 320. Lightweight Lambs hardest sold and lots on the Market alongside grass fed lightweights. Export trade limiting demand. Weight a better Sale throughout as the home trade runs short of cheap imported Lamb Cuts. Weight seeing twice as much audience throughout albeit the weight seeing much better finished lambs as a rule. Top today $\frac{3}{4}$ Texels from Robert and Rosie Leach with 51kg at 394p/kg whilst similar goods from RR & M Lawrence down from Market Bosworth 47kg at 386p/kg and Gloucestershire's GM Bennett & Partners 51kg at 384p/kg. Messrs Lawrence & Leadbeater both also taking 383p/kg. Weight generally surpassing 360p/kg and Lambs over 45.5kg today trading at an Avg of 367p/kg.

An all in avg of £144 still well ahead of this time last year especially considering two large runs of Lambs from Tegs weighing 33 - 37kg. Export weights totting to £170 at 44kg for GR Fountaine & Son with W Bartlett £168 for 42kg and R Leach £168 at 44kg. Plenty of best fed Lambs trading £150 to £160. Heavies the real demand of the day selling to a top of £205.50 for Hyde Lane Farms at 60kg. R Deacon continues to bring impressive meat weekly to sell to £205 at 58kg with Ted Taylor 57kg at £201.50 and RF Leach 51kg at £201. Meat and finish really paying.

We Thank everyone for there help and patience Yesterday. The Staff started sorting at 5.30am and worked all day in Temperatures over 32 degrees. Thanks to all Hauliers and Farmers for assisting as and when.

Weather conditions are trying and this is noted by all but Vendors are encouraged to feed lambs for best returns with lean Lambs now flooding the Trade and causing difficult Sales for Processors. Feed is indeed at reasonable rates and with Lambs still trading ahead of last year feeding makes sense.
