CHARITY THEAVE AUCTION

to be offered after the Champion pen in aid of Papyrus,
on behalf of R Pedley, NEMSA Hawes Chairman

We lost Our Will tragically in August last year (the Sale falls on his 1st anniversary). Will passed away on our farm in Barbon at just 15 years old. He was our sunshine. A typical cheeky chap who could talk to anyone. He was a brilliant friend to anyone fortunate enough to know him and always had an ear anybody who needed it, such was his caring personality. He was becoming a good stockman and was his dad's right hand man with his whole life ahead of him. He leaves behind a massive void in our devastated family and amongst his friends.

We are trying to plough on through the fall out with the support of our amazing friends. It's times like this that the farming community comes together and shows that it is one big extended family and helps to hold us together, and keep us going even when we feel like giving up.

As a result of this support and in memory of Will we have been keen to give back and as a way of doing this we have been supporting Papyrus, a charity that exists to raise awareness of mental health in young people.

It is shocking that suicide is the leading cause of death for people under 35. In the UK in 2024, there were 1866 deaths under the age of 35. That's 5 every single day! Papyrus works to prevent young suicide in many different ways. From the conversations they start to the policies they help shape, everything they do is driven by one belief. That young suicide can be prevented.

Our family doesn't want any other families to go through the nightmare that we are going through. Whilst this may seem an impossibility, if the awareness and support that Papyrus provides saves just one life then that is a step in the right direction.

Last year Will helped show our Leicesters and NEMSA gimmer lambs at our local Barbon show. We sold Will's Barbon mule gimmer show lamb at Hawes NEMSA sale last year to raise money for Papyrus in Will's memory. It sold four times raising a staggering £8400 from donations from both northern farmers and a group of southern farmers with the lamb ending up living the life of luxury at Henry Tustian's farm in the capable hands of Taymar Tustian. It has gone on to produce twin lambs and is being offered for sale again to raise money for Papyrus in Will's memory.

RFM & The Directors encourage all farmers who can to bid and raise money for Papyrus.

1	Mortality Warranty (ONLY WHEN PAYMENT OF WARRANTY IS CLEARED)
	Subject to the conditions set out below RFM agrees to repay the hammer price of any animal sold at its auctions which dies within seven days of the date of the fall of the hammer as a direct result of a condition which existed at the time of the fall of the hammer ("the mortality warranty"). RFM will not make any payment over and above the hammer price nor reimburse any consequential losses or incidental expenses incurred.
2	Conditions
	The conditions which must be satisfied before payment by RFM pursuant to the Mortality Warranty set out in sub condition 1 above are as follows:
2.1	The Buyer must notify RFM in writing of the death of an animal which may give rise to a claim pursuant to the Mortality Warranty ("a Claim Notice") so that such Claim Notice is received in the office of RFM within 24 hours of such death and then at the Buyer's own cost produce a certificate from a qualified veterinary surgeon:
A)	Confirming the cause of death, and
b)	Confirming the veterinary surgeon's opinion that such cause existed at the time of the fall of the hammer, and
c)	Confirming whether, in the veterinary surgeon's opinion, there is anything which might give rise to the belief that at the time of the sale the vendor of such animal knew or ought to have known of, or had good reason to suspect the existence of the condition which caused the death, or of any symptoms connected with such condition. Such certificate to be produced to RFM within 48 hours of death.

2.4	No payment will be made pursuant to the Mortality Warranty where RFM's veterinary surgeon certifies that the Buyer or the employee's agents, subcontractors or independent contractors engaged by the Buyer or their agents have caused or contributed to the death of the animal by the Buyer's own actions or omissions or those of the Buyer's employees agents subcontractors or independent contractors and the certificate of such veterinary surgeon shall be final and binding upon the Buyer and RFM.
3	Vendor's Responsibility
	If in the opinion of the veterinary surgeon whose opinion shall be binding on the vendor the vendor of any stock the subject of a claim pursuant to the Mortality Warranty knew, ought to have known, or had good reason to suspect the existence of the condition which caused such death at the time of sale then RFM will not pay the vendor for such stock or if payment has already been made to the vendor shall repay the hammer price of such stock to RFM within three days of demand.
4	General
4.1	All the times set out in Clause 2 above shall be of the essence.
4.2	Breach of any of the provisions of Clause 2 above by the Buyer will result in the Mortality Warranty being invalidated and no payment will then be made pursuant to it by RFM.
