Following a meeting with Warwickshire Trading Standards & the FSA on Monday we have been asked to highlight the Welfare Issues being reported from the Abattoirs regarding Cull Ewes. These mainly relate to MASTITIS & LAMENESS. Condition Score i.e being very thin.

Please remember that an animal must be fit for the intended journey, it should not be ill, injured or severely lame i.e. must be full weight bearing.

These sheep are being rejected at abattoirs around the Country

## HOGGS 847 FORWARD

SQQ 341.73P/KG AVG £143 TOP £180

The end of the week prior saw depression in the red meat trade with trade in the Ewes and Hoggs dropping with the heavy lambs particularly under pressure. Numbers low with the bad weather and Lambs in this part of the Country struggling to get meat, todays trade though magnificent for all but the heavy lambs. An SQQ of 341.7p/kg compared to the deadweight of 680p/kg a flying trade at a deadweight equivalent of £731p/kg. Export the only real demand and all buyers wary of weight with under 42kg often travelling past £145 throughout. Best end lambs regularly 370p/kg plus. Top for the day real fed lambs from Townshend Farm Beltex at 43.5kg 405p/kg with M J Woodward 440 & 403p/kg with D W Morley down from Market Harbrough 400p/kg. Proper Export lambs from S & D North and H & J East 400p/kg.

Meat and finish easily 380p/kg plus. Export first cross fed and root lambs 345p/kg throughout with only genuine store lambs less. Weight harder to sell throughout with all cutting jobs back and Exporters now overdone with larger bodies. Proper feeding again winning the race seeing a top of 330p/kg at 46kg from Townshend Partners. Real meat though from Rob Milner 53kg at 326p/kg with H & J East 46kg equal Wallace & Heather McCurdie 48kg 321p/kg. Heavy lambs now trading 280 - 290p/kg mark with leaner less.

An all in Avg of £147 from start to finish an impressive return compared to alternatives.

Export lambs in the lump nearly topping the day with a top of £176 at 43.5kg for Townshend Partners and 44.5kg from M J Woodward 44.5kg and M Bills with meat at 44kg to £168 and Messrs McCurdie 42kg £157. Plenty of Export lambs £150 and upwards.

Weight hard to sell but meat still appreciated selling to a top of £180 at 68kg for W E Russell with H L Goode & Son 62kg £178. Meat wanted next week and export Lambs still in demand equal to the heights of last year. Plenty of demand here.
