AUCTIONEERS FOREWORD

The Auctioneers and Directors of RFM Ltd are delighted to be instructed to conduct the Retirement Sale on behalf of Tony and Kathy Colegrove for JC Colgrove & Son.

Moving to Paddocks Farm in 1956 to take the Tenancy, Tony's father branched out from his previous employment as farm manager in Gayhurst to set up a traditional mixed Family Farm. Farming as a family, Arable, Cattle and Sheep enterprises kept all busy with Tony keen to learn his craft whilst still at School. In 1977 Tony decided to expand his learning of Agricultural methods and broaden his horizons by travelling to New Zealand where he spent just over a year. On his return he entered his father's employment for 12 months before being made a partner in the Business. In 1980 bad weather conditions and damage to infrastructure meant a change in policy with the farming enterprise turning purely to Sheep production, originally seeing North Country Mules the base. Marrying Kathy in 1993 the Couple then decided to move to pure Lleyn Sheep producing replacement stock to be sold to other commercial Flocks in the area, the annual draft of Ewe Lambs being still sold locally up until 2026.

The couple have now taken the decision to retire from Farming due to ill health and hope to enjoy their new era remaining in the farmhouse spending more time concentrating on horses than Sheep!!

This very genuine Sale sees the complete clearance of Farming Items from the Partnership together with this years Forage harvest. A warm welcome is offered to all those able to attend Paddocks Farm
