Auctioneers Foreword:

The Directors and Auctioneers at RFM are honoured to be asked to undertake the Dispersal of the Bramcote Mains Flock of Pedigree Charmoise Hill Sheep, with the Bramain Prefix on behalf of Mr David Eglin.

The quality of the stock and the exceptional breeding on offer for sale is a true testament to Mr Eglins dedication to the breed, and the manner in which the sheep are turned out a true credit to stockman Ben Stew given the dry conditions experienced all summer.

Whilst the Society have been extremely helpful in the preparation of this sale, it is not conducted under any society rules or auspices.

The sale will be held live with bidding online via Marteye.

We can thoroughly recommend any of the sheep forward for sale from Bramcote Mains and your attendance is welcomed, with we believe the most ready supply of French Genetics available in Britain

The Bramcote Mains Flock - Mr D Eglin

As a member of the Bleu de Maine sheep society, in 1996 David took a party of farmers from all over Great Britain to visit breeders and also judge Bleu de Maine in France.

Whilst in France David found the Charmoise sheep, which he found to be small, well proportioned sheep with exceptional confirmation. David took from the show the address of where to find more details and tried to find if any had come to the UK.

From the enquires he made, he met Bernard Salvat who was at that time the President of the Charmoise sheep society and arranged to take a trip to his farm in France the following year.

David's first load of Charmoise imported from France comprised of a couple of Rams and Twelve Ewes.

After two years David started to build up a good flock and they survived well on his marginal grass, with numbers growing each year.

David brought Live Semen from France starting at 8am back on the train via Paris changing train to Dover then London before arriving home at 7pm the same day, to then use the Live Semen on the flocks ewes successfully.

David built up a good relationship with the Geode Charmoise club and twice over the years was asked to judge Charmoise sheep at the Paris show being the first British judge ever.

Bernard Salvat has always picked the right rams to improve bloodlines but it is only in the last three years David has been unable to bring back sheep due to disease precautions however over the last 20 years the flock has built up many different breed families, as you will see on offer today.
